

Deer Prospects In This Region Reported Better

Hunters Warned About Large Number Of Spike Bucks

The 1949 deer hunting season opens in this district September 16th and closes October 15th. The limit is one buck.

Game Warden Tom Borneman of Truckee reports the number of legal deer in the area this year seems to be slightly higher than last season and all deer are in good shape, he added. While the majority of the bucks were forks, which accounted for 68 per cent of the kill last season, Borneman said, there are more larger deer than in the past season.

Warden Owen Mello of Loyaltown also reports that there are more bucks in the eastern portion of Sierra County than for many years past. He urged hunters to be unusually careful as there is an abnormally large number of spike bucks this year and many of them with large enough antlers to cause a careless hunter to make a "mistake."

All wardens point to extreme dry conditions if present weather continues.

Hunting conditions in Placer County generally will be only fair in the opinion of Warden Nelson Poole of Auburn. He said in the lower elevations of the county deer will be more plentiful.

A. W. Sears, warden from Placerville, says that in his opinion there is a definite shortage of bucks in his district and predicts that the average hunter will be troubled in bagging his limit.

The Georgetown warden, B. E. Faist, also predicts a scarcity of deer in the higher elevations east of there.

Shooting hours for deer shall be from one-half hour before sunrise to one-half hour after sunset.

HOLIDAY TRAVEL HITS NEW PEAK OVER WEEKEND

Another traffic record fell before the three-day Labor Day weekend travel through here, according to figures released by the state quarantine station this week. During the holidays, 6403 cars were cleared, 138 trucks and 95 stages with a passenger total of 18,709.

Traffic checked was the west bound only, explained W. C. Gage, in charge of the station.

The 4th of July weekend, which established the record this year, tallied 6371 cars, 128 trucks and 100 stages.

Lions Golf Match Set For Reno on Sunday

Final preparations for the annual Lions golf tournament were made at last night's meeting of the club. There are 22 entrants in the contest. Following the games in Reno next Sunday, members will have dinner at Villa Sierra.

Plans were also made for Charter Night October 8 at Tahoe Inn. Stan Martin, Fred Main and William Bechtold are on the committee. Visitors included Matt Connors, Tahoe City; James Sherri, Donner Summit; Ben Tonini, Morro Bay, and Arthur Warren, San Mateo. B. W. Reynolds presided.

Teen Agers Are Held On Car Theft Charge

Three Fair Oaks boys, 16, 17 and 18 years of age, were being held in the Truckee jail today following their arrest by Deputy Sheriff Fosten Wilson last night on a car theft charge. The three were apprehended after they went through the quarantine station without stopping and Inspector Wesley Moreland called Wilson. They are booked en route to Sacramento where they are alleged to have stolen a 1949 Frazer sedan.

Summit Accident Fatal to 'Cyclist During Weekend

Others Injured in Auto Mishaps on Highway Over Holidays

Arthur Debeling, 32, Walnut Creek, was fatally injured at 9:30 o'clock Sunday morning when the motorcycle he was riding struck a small rock in the highway near Kingvale, went 156 feet down the gravel shoulder and crashed into a large rock beside the road. Debeling was hurled 90 feet through the air.

Rushed to Truckee by the Truckee ambulance, Dr. L. D. Nelson made an examination and ordered the injured man taken to a Reno hospital. He died a few minutes after reaching the hospital from a fractured skull and internal injuries.

Debeling was a member of the Oakland Motorcycle Club and was going to Nevada to attend a meet when the mishap occurred. State Patrol Sergeant H. B. Fowler made the investigation.

The dead man is survived by his wife, one child and his parents all of Oakland, where he was employed as a mechanic.

Marines Hurt
TAHOE CITY—Three Marines from Mare Island had their car wrecked around 8 o'clock Sunday morning four miles north of here on the Truckee-Tahoe highway when the driver apparently fell asleep and crashed head-on into a large truck and trailer belonging to Fredrickson Bros., local road contractors.

The Marines were J. D. Clendennen, R. Boudreaux and G. D. Schumacher. Their car was demolished and Boudreaux was taken by Tahoe ambulance, driven by Al Henry Jr., to Dr. L. D. Nelson of Truckee, who treated him for cuts and bruises. Patrolman Tom Sheehan investigated.

Sheepman Injured
Valerio Arraiz, 59, well known local sheepman, escaped with minor injuries Monday morning when a trailer being pulled behind his car lost a wheel near Donner Summit Lodge, causing the car to leave the road and overturn. His wife, who was with him, was not injured.

**Waters Candidate for

Mr. and Mrs. Frank Gaiennie have ended their personal hunt for Truckee's most honest man, following the return of Gaiennie's wallet, with contents intact, early Tuesday morning by George Waters, after it was lost the previous evening.

The couple stopped in several places on Monday, including the Donner Theater, and after returning home discovered the loss of the wallet containing important papers and currency which Waters found behind a seat while working in the theater.

**94-Year-Old Bianchi

Need More Money To Carry Fight On Infantile Paralysis

Current Epidemic Takes Polio Fund Reserve Says Chairman

An emergency drive for funds for treatment of infantile paralysis has been launched throughout the county.

The county, state and national fund has been exhausted by the current epidemic which has swept the country and if the care and treatment of patients is to be continued, more money must be obtained, Elmer Stevens, county chairman, declares.

There is not time for a personal solicitation and no supplies will be available.

Those desiring to assist in this worthwhile program may make contributions to the local chairman, Walter Barrett, at the Sierra Sun office or may mail checks and contributions to "Polio", care of Postmaster, Truckee, California.

The need cannot be overstressed. Do what you can.

\$17,000 SECURED FOR SURFACING BROCKWAY ROAD

J. F. O'Connor, Nevada County road commissioner, is expected here today to make a preliminary survey preparatory to surfacing the Brockway cut-off, Supervisor H. G. Loehr reported.

The local supervisor was able to secure \$17,000 from what is known as Chapter 20 money, allocated by the state for primary highways and the county will do the work without contract.

Last year Loehr utilized state-allocated funds to grade the Nevada County section of the cut-off and work proposed will put it in excellent and permanent shape, he believes.

TAHOE CITY NOW OFFICIAL NAME OF POST OFFICE

TAHOE CITY—Residents of this town are again reminded by the postal inspector who was a visitor here last week that they should advise all correspondents that the local post office will be known from now on as Tahoe City and not just Tahoe alone, as in the past. A new sign 12 by three feet, printed in letters of gold, hangs at the post office entrance reading "U.S. Post Office, Tahoe City."

Postmaster Oliver Corona this week announced that from now until June 1 next, the post office will no longer remain open on Saturday afternoons and no mail will arrive or be dispatched on Sundays after October 1. These rules are the same as those prevailing here last year, the postmaster said.

Radicals, Verdi Victims Of Hitting Power of Mountaineers

In two post-season games here over the holiday weekend the Truckee Mountaineers collected a total of 30 hits and won from the Reno Radicals 13 to 8 and from Verdi 8 to 2.

In Sunday's game with Reno, Bill Black pitched the whole game, allowing 10 hits and hit a home run while Reno used two hurlers, Mentz and Young, who were rapped for a total of 18 hits by the local sluggers. Manager Larry Baxter led the batting for the Truckee nine, getting 4 for 5, while Les Davidson, young outfielder, collected 3 for 5, one a homer. Harvey Martin got 3 for 5 and Ulsheimer got 2 for 4 and Korich his 2 for 5. Johnny Rablin made a sweet catch in center field for one of the star plays of the day.

The Verdi team, runnerup for the Sagebrush League championship this year, played a good grade of ball, but Jimmy Luke, young chucker from Sacramento and son-in-law of N. F. Dolley, allowed only two hits in the six innings he pitched. Larry Crockett, who pitched the last two innings, was hit only twice, giving the visitors a total of four hits.

Harvey Martin and Johnny Rablin each hit 2 for 4 while Bill Martin rapped out 2 for 3, one a homer. Curran topped the percentage list with 2 for 2. Davidson hit 2 for 5 and Connors 1 for 1, with two walks and once hit by a pitched ball, getting on base each of his four times up.

S. F. Man Held for Trial On Two Traffic Counts

Arthur Elmer Kunkel, 41, San Francisco, is being held in jail in lieu of \$400 bail set yesterday by Justice of the Peace R. N. Little after Kunkel entered a plea of not guilty to a charge of drunk driving and hit and run. His trial date was set for September 28.

A companion, Barsley Whiting, 51, arrested on a charge of violating the county sobriety ordinance, is serving 25 days in jail following his plea of guilty. The fine was set at \$50.

Kunkel and Whiting were arrested by State Patrolman William Gautsche after a car driven by the former allegedly hit a new Cadillac driven by William Bush Jr., Sacramento, near Soda Springs Monday morning at 3:00 o'clock.

Mr. and Mrs. Donald Sites and son, Donald, and Tony Granger attended the state fair at Sacramento last week.

Sun Beams by Walter M. Barrett

With the deer hunting season opening in this district on September 16th, hunters are cautioned again about the dryness of the woodland and are asked by the forest service to exercise the utmost precaution in handling campfires and in smoking. Smoking is permitted only in established areas. The hunters are also asked to be very careful in handling firearms. Those who derive pleasure from hunting can make it possible for others to have fun if they will just remember there will be hundreds of people frequenting the hunting area. Still another good idea for hunters is to obey all the laws and avoid trouble with the game wardens.

Scores of children through this district will return to school classes Monday. A complete new setup is being organized under the direction of the school officials which is expected to result in an efficient and effective program. Teachers, bus drivers and even janitors are being given pre-school instructions so that once the program starts there will be harmony and efficiency, with everyone knowing and doing his or her job under capable administration.

BEATING VICTIM FOUND AT LAKE IS NEAR DEATH

A search is being made for Antonio Chaves, employed recently by the Southern Pacific Company at Truckee, who faces a murder charge in event Francisco Arias, 35, fails to survive a beating which was inflicted Saturday night near Donner Lake.

Arias, whose face was beaten and kicked beyond recognition, was found a quarter of a mile from Highway 40 near the head of Donner Lake Sunday at noon. He had been there since the day before and was in a critical condition with a bad skull fracture and was disfigured.

Taken to a Reno hospital by the Truckee Ambulance following treatment here by Dr. L. D. Nelson, Arias has failed to regain consciousness and his condition is critical, attendants said.

A man believed to be Chavez was stopped and questioned by officers when they discovered blood on his trouser legs. He offered an alibi, however, and since Arias had not then been found, he was turned loose. No witnesses have been found and the cause of the beating is not known, Constable N. F. Dolley, who is investigating, said.

One hundred and thirty-three adults took advantage of the recent visit of the chest x-ray unit, sponsored by the Nevada County Tuberculosis and Health Association and financed by the sale of Christmas seals, and were given free tests. The association expressed its thanks to the Parent-Teachers Association which assisted in advising people of the visit and in handling the work during the time the unit was here. Those assisting at the fire station were Mesdames Muriel Frey, Lou Wheeler and Mabel Towler.

Four Will Face Superior Court For Local Theft

Bail Set at \$2,000 Each Following Hearing on Wednesday

The four Watsonville men, accused of burglarizing the Cabona Store here on August 28, were held to answer to the superior court and their bail was raised from \$1000 to \$2000 each following a preliminary hearing here yesterday afternoon before Justice of the Peace R. N. Little.

Three of the four, King Montgomery, 18, a former local resident, Allen Kendall, 25, and Robert Ruddell, 19, have all admitted the burglary, according to Lt. Everett Dicks and Sgt. Milo Cooper of the Watsonville police department, who arrested and questioned them at Watsonville. The fourth suspect, Gerald Gospodnetich, 21, claims he was not involved, although the car used in the burglary was his and he was driving it when the four were arrested.

All the suspects have prior police records, Lt. Dicks said. Gospodnetich having been arrested four different times on charges ranging from burglary to vagrancy.

District Attorney Vernon Stoll conducted the prosecution. The four defendants were without counsel and did not testify. They were returned to the Nevada County jail by Sheriff R. W. Hoskins to await their trial in the higher court.

Witnesses included A. E. Ellert, employed at the store, who discovered the robbery and Deputy Sheriff Fosten Wilson who was called to make the investigation the morning the store was looted of several hundred dollars worth of merchandise, including two guns, ammunition, clothing and \$35 in cash. All the loot was recovered, police believe.

Following the hearing, Kendall, a brazen appearing young man, asked if restitution could not be made by paying damages. He was advised that under the circumstances this was impossible.

The hearing did not involve the two minor Truckee girls who were with them the night of the robbery.

**RAPE SUSPECT
IS BOUND OVER
TO HIGH COURT**

Santos Esquivel, 22, Watsonville laborer who was in Truckee with the four men held to answer to superior court yesterday on burglary charges, was held for the superior court on a rape charge involving a 14-year-old Truckee girl immediately after the preliminary for his companions closed. Bail was set at \$2,000.

Esquivel came to Truckee with Gerald Gospodnetich, one of those accused of the burglary, on a fishing trip. The rape suspect contends he was not in on the alleged burglary.

The girl told officers that she met Esquivel Sunday night with the other four Watsonville men. She said she stayed with him that night and went to Auburn with the five men Monday morning. There they left the car and took a bus to Watsonville.

The suspect has denied to Sheriff Hoskins that he was intimate with the girl.

**Plans Progress For

**20-30 Makes Plans
for Ladies Night**

Guests at the Truckee 20-30 Club meeting Wednesday evening were Harley Lusher and Ralph Snaveley. Snaveley spoke briefly on his recent tour of duty in Hawaii with the Navy.

Plans were completed for a ladies night to be held at Donner Summit Lodge on September 17. There will be no regular dinner meeting next Wednesday.

Plan Improvements at

TAHOE PARK—Plans drawn
by John Ingle of San Francisco
were completed and were present-
ed to forest service officials for
approval. They are for two dup-
lexes and a home for the Kjell
Rustads at Granlibakken, the pri-
vate ski school established last
winter near the Lake Tahoe Ski
Club's Olympic Hill. As all state
building codes have been strictly
observed, it is believed approval
will be forthcoming soon and con-
struction started at once.

Bert Brolund, who erected the
original warming hut of native
logs at Granlibakken, has since
doubled the size of the hut. The
extension will house the kitchen,
lunch counter and ski shop while
the main lounging room will be
enlarged.

The new buildings will be erect-
ed near the ski lodge and will be
of similar design. The ski hill
will be widened and in addition
to the 1200 foot tow, a 600 foot
one will be installed for beginners.

Marie Henry of Tahoe City reports that 170 chest x-rays were taken during the brief visit of the mobile unit on August 30. This indicates the public is still very much interested in preserving their good health. This same mobile unit is now reported stationed at the State Fair where it will accommodate any who wish chest x-rays. Results of x-rays taken on the 30th will be mailed to local citizens in about three weeks, Mrs. Henry said.

Forgot to mention last week the visit of an old-time Tahoe resident, Kay Willis, highway foreman for the state for the past 22 years. Kay had just left the hospital in Dixon where he and his wife both underwent sieges of virus pneumonia. He spent several days visiting old friends here and returned home with a nephew and wife whom he accompanied from Dixon.

Quite a bit of excitement was created among the guests of Chambers' Lodge Saturday when a large hydroplane with five passengers taxied into the harbor. It reportedly belonged to the Waterbury (clock) family of Connecticut but what its difficulties were or who was aboard was not learned. Dave Chambers and members of his staff lent what seemed the big plane could not develop enough power to take off from the water and depart. Last heard of it had taxied as far as the south end of Lake Tahoe.

Speaking of Chambers' reminds me that ex-Governor Frank P. Merriam and his daughters, Hazel D. Merriam and Mrs. Clede John, all of Long Beach, were guests at the resort over last Thursday night.

Mr. and Mrs. Phil Geier of Tahoe Park entertained over the weekend Mr. and Mrs. George Scott of Alhambra. Mrs. Scott is state president of the Spanish American War Veterans Auxiliary and is making a tour of the state calling on the various chapters.

Had the pleasure of meeting an old friend in town last week. Mrs. Otis Hursey, who has been caring for her mothers on her Fallon ranch since the death of her dad, spent a week with her husband at the Kaiser estate in Tahoe Pines, where the latter is caretaker. Their son Roger has sprung to an unbelievable 6 feet 4 inches, although only 16. His brother, Robert, a few years his junior, is nearly as tall as his mom right now and still growing. Looks like the country air of the Fallon ranch is agreeing with them.

Adios for this week and the best of good luck to you all, as ever,
Swanee

Certified Lamps are different. Use one and you will SEE the difference.

Yes, *Certified Lamps* are different...

because of the exclusive reflector bowl which puts more light over a reading area than any lamp has ever given before.

because of the shade which is dense enough to hide the bulb, deep enough to cover the bulb and wide enough to give maximum spread of light.

because of the reflector, a part of the glass diffusing bowl, which controls the light so that only 1/3 of it is directed upward and 2/3 downward.

Be sure to see the new *Certified Lamps* when your favorite dealer has them on display. There are styles in floor lamps, swing-arm and bridge lamps as well as large table lamps and end table models.

GOOD NEWS. JOHN!

Jerry Lewis

North Tahoe

by T. BURROUGHS

On September 2 Ida North entertained at luncheon, having as guests Nell Flannery, Emma Cope and Ruth Lavery. Ida and Emma are very old friends, having known each other while they lived at Manhattan, Nevada, way back in 1917. Ida North who is now teaching in Sacramento left Wednesday afternoon after enjoying fried chicken with friends at the home of Mrs. Cope.

Mr. and Mrs. Wayne C. Hunt of Pine View Cottages left for their winter home in Grants Pass, Ore., Tuesday of this week.

Nels and Helen Rafdal, and Al and Anna Larsen were up from San Clemente over the holidays,

enjoying the pure freshness of the Tahoe country. Rafdal and Larsen are contractors and were formerly doing business at Tahoe and the Rafdals were once owners of Lake Point Cottages.

Chet Langenstein left a week ago Thursday for Vancouver, B.C. where he has bought a home and joined the rest of his family there. Saw Tex Jones out walking around today. Looks as good as ever so that stay in the Veterans Hospital must have been good for him.

Just said hello to Clara Van Hooser who is trying to get back to normal after a trying time in Carson City Hospital. We are all so glad to know you are well on the road to recovery, Clara.

Audry Welch has finished her

nurse's training at St. Francis Hospital in San Francisco and expects to spend a good part of the winter with her father, Rube Welch, in Kings Beach.

Catherine Hall and Marilyn Welch celebrated their 15th and 16th birthdays respectively this past week with dancing and games followed by a weiner roast and other refreshments.

More building! A garage and work shop going up on the Kings Beach School property is the latest addition in that vicinity. The school bus will be housed there.

In the Tahoe Vista area hammers are ringing, saws whirring and workmen going to and fro in the hope of having those new cottages finished for Silver Sands Resort by Thanksgiving. The Junior Masons with their new partners, the Al Bettencourts of Gilroy, are doing a lot of improving. There are to be five cottages and three sleepers on the water front side of their property. Grant and Anderson, local contractors, are the builders.

Remember those Christmas seals that come to all of us each year? Proceeds from the sale of these seals are used in an effort to reach all persons in need of chest x-rays. On August 31 a mobile unit came to Kings Beach and 90 local persons were x-rayed. This is a service valuable to all of us and should receive full cooperation. Many failed to take advantage of these facilities; however, it is nice to know that the mobile unit is available for our convenience. Local ladies assisting with the x-rays were Mrs. Ted Barrett, Helen Chanda, Jean Little, Virginia Mason and Mrs. Earl Van Uden.

Friendly headquarters for your children's "growing" needs!

TODAY it's bandages and antiseptics. Yesterday it was medicine ordered by your doctor for childhood ills. And before that—baby oil, bottles and nipples, special infant foods...

Just imagine what child-raising would be like if you didn't have your drug store to turn to!

When you reflect on the varied nature of the prescriptions your pharmacist is equipped to fill—and all the times you have depended on his services—you realize how essential he is to your family's health.

And when you consider the timesaving convenience the drug store offers... no wonder today's busy parents rely on it for so many of their "growing" needs!

They like the pleasant, professional atmosphere of the store. And they like the pharmacist himself—a friendly, warm-hearted man of science, whose spirit of service is an American tradition.

Get better acquainted with your pharmacist. Trade with him—he's a man you can rely on.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

TAHOE-SIERRANS TO HOLD SESSION ON SEPTEMBER 12

TAHOE CITY—The next meeting of the Lake Tahoe-Sierra Association, and the final session of the current season, will be held Monday, September 12, at Brockway Hotel, H. F. Droste, association secretary, announced.

Droste has prepared and sent to members of the association a six-page report of the activities of the group during the current year. Included in his report is the fact the association has prepared and printed for distribution 52,000 multi-colored folders, complete with a four-colored map of the lake area.

During the 20 years the association has functioned, Droste said, three quarters of a million folders advertising the lake have been distributed throughout the United States.

The association also sponsored a large number of 10x20 feet highway signs prominently displayed in California, Nevada and elsewhere. The report pointed out that in round figures that periodicals carrying Lake Tahoe information and publicity totaled more than 1,500,000, all space devoted to the entire lake area without emphasis on any particular resort or enterprise.

Also included in the report was information regarding the work of the association in recommending measures to the highway commission, state chamber of commerce and other organizations seeking beneficial projects for the district, including stream control, maximum water level, fish and game improvements, highway developments and other programs.

Voters Are Urged To Register by Sept. 15

Every person in Nevada County who is eligible to vote in the November 8 election should be sure he or she is registered by the September 15 deadline, California Taxpayers' Association says.

If a citizen failed to vote in the June, 1948, and the November, 1948, general election, he has lost his registration and must reregister, it was pointed out. Those who are voting for the first time in California must also register.

Nevada County residents may register at either the Sierra Sun or the Chamber of Commerce in Truckee. At the November, 1948, election, 11,234 persons in Nevada County were registered but only 8,486 cast their ballots, the association found.

For the same election Placer County showed 18,605 registered and 15,519 voting; El Dorado County, 9,090 and 6,850; Sierra County, 1,599 and 1,272.

Tarzan

by EDGAR RICE BURROUGHS

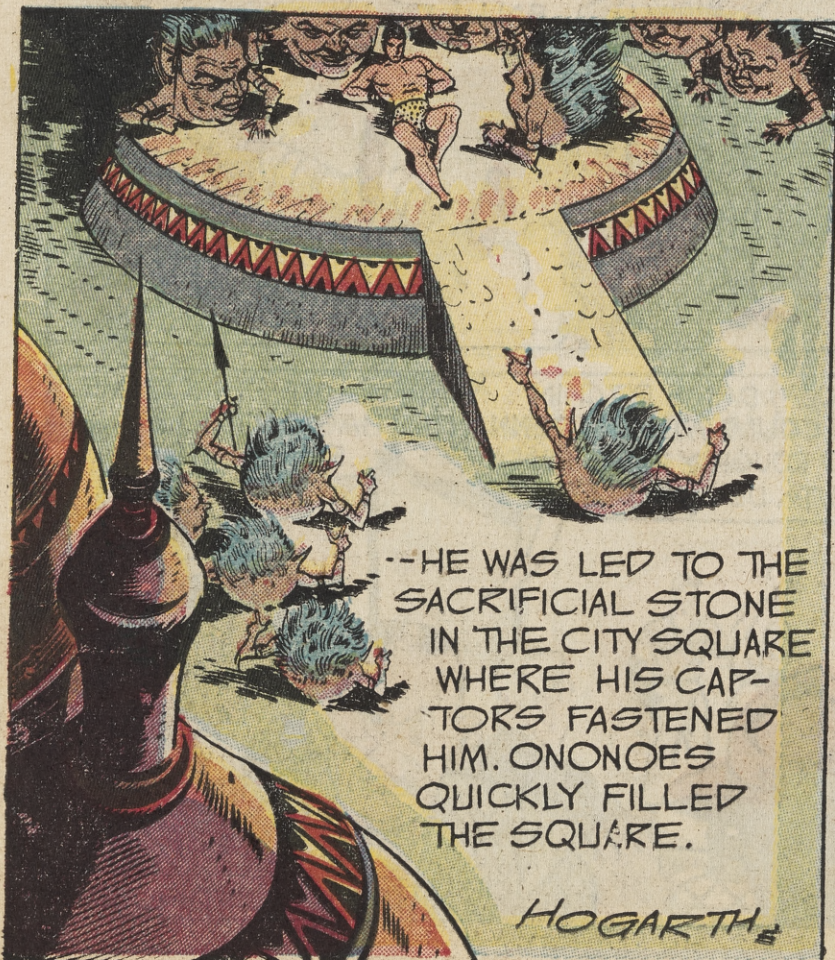

AS THE ONOES RUSHED AT HIM, TARZAN SPRANG ACROSS THE ROOM WITH HIS BACK TO THE WALL. TARZAN FOUGHT WITH ALL THE SAVAGERY OF A JUNGLE BEAST AT BAY, HIS ANGRY GROWLS MINGLING WITH THE ROARS OF THE ONOES. AGAIN AND AGAIN HE SHOOK HIMSELF FREE---

ONLY TO BE BROUGHT DOWN, AT LAST, BY A STUNNING BLOW ON THE HEAD.

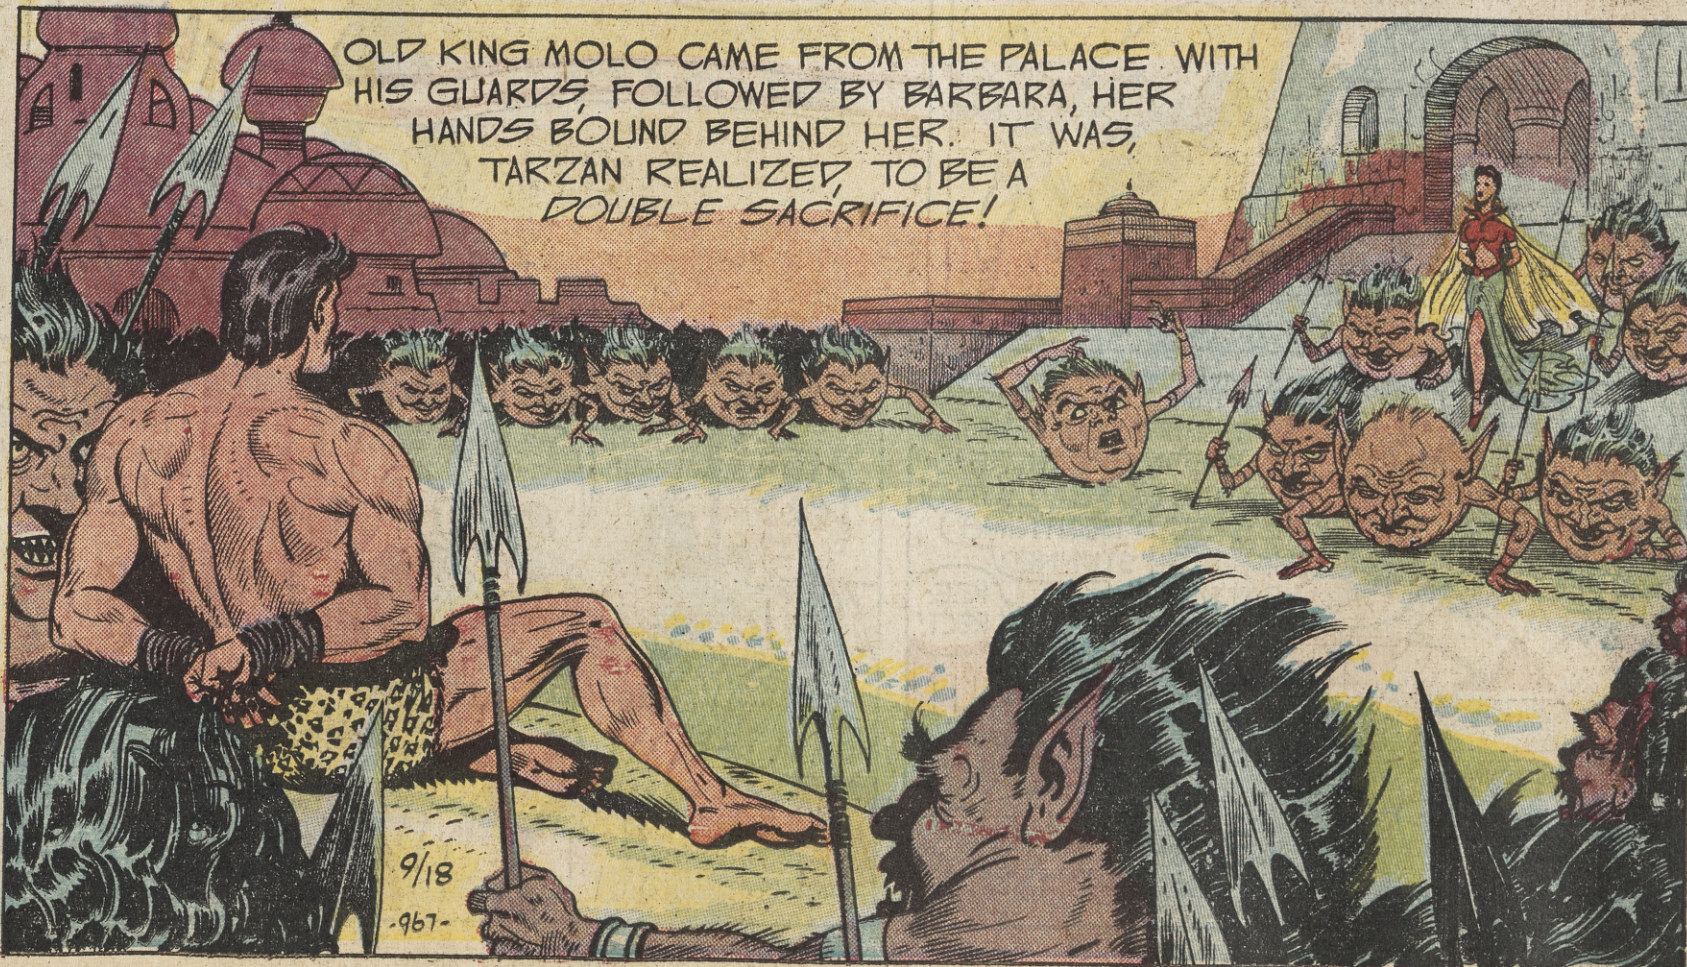

MOMENTARILY STUNNED, THE ONOES POUNCED ON HIM, AND BOUND HIM SECURELY, PRODDING HIM TO HIS FEET---

--HE WAS LED TO THE SACRIFICIAL STONE IN THE CITY SQUARE WHERE HIS CAPTORS FASTENED HIM. ONOES QUICKLY FILLED THE SQUARE.

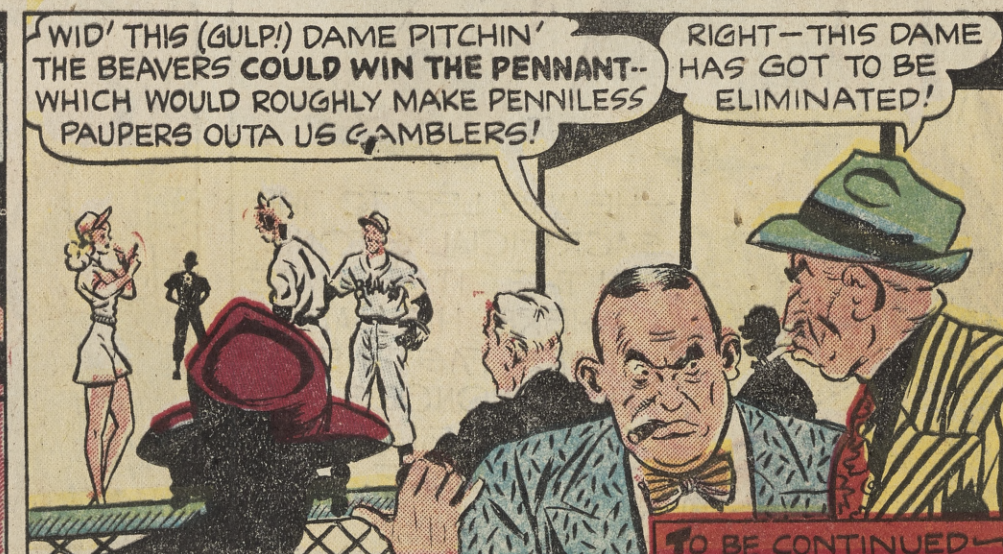

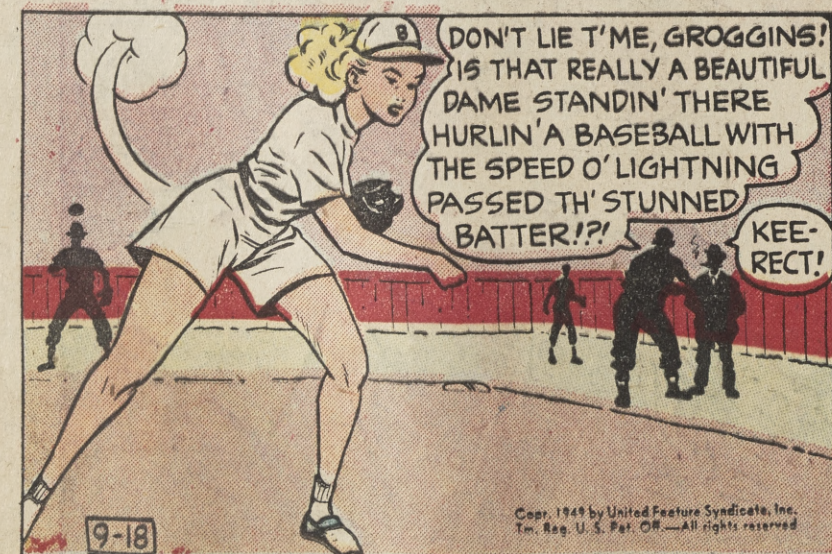

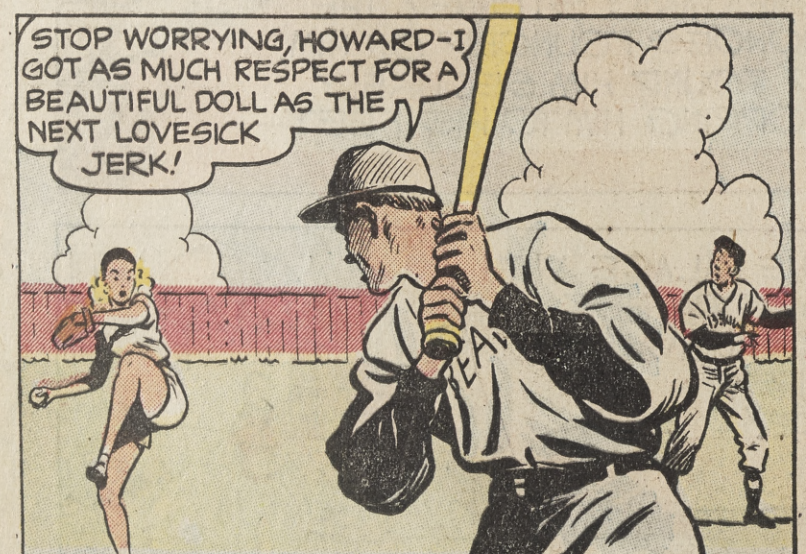

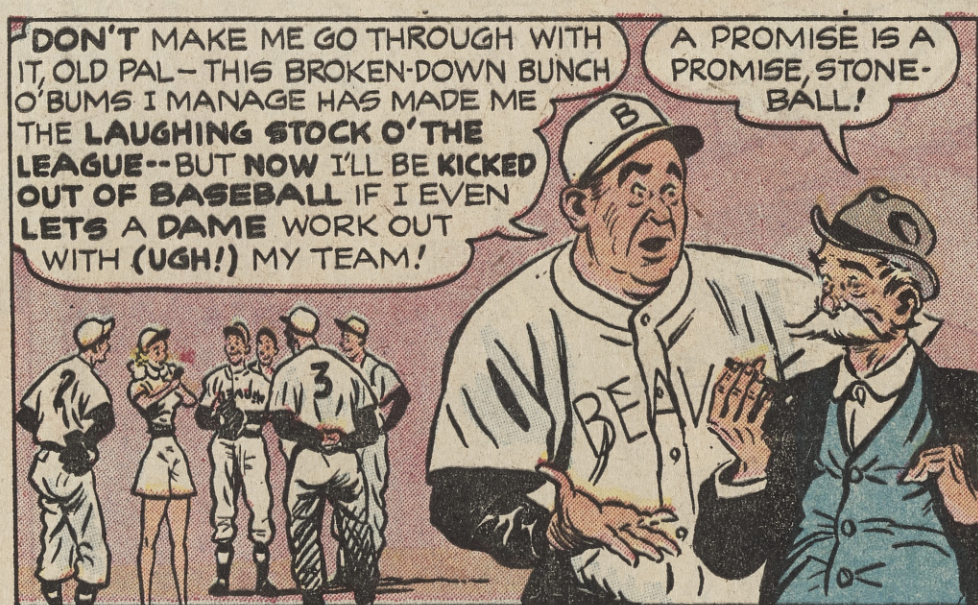

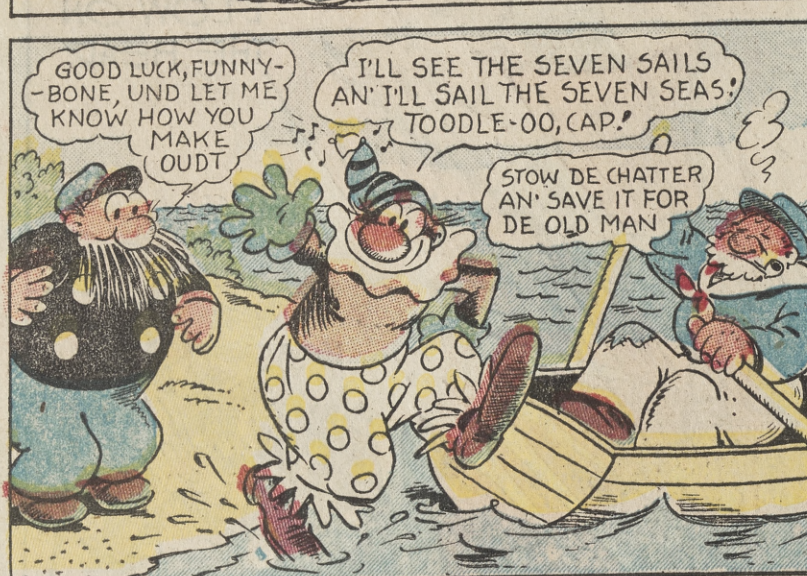

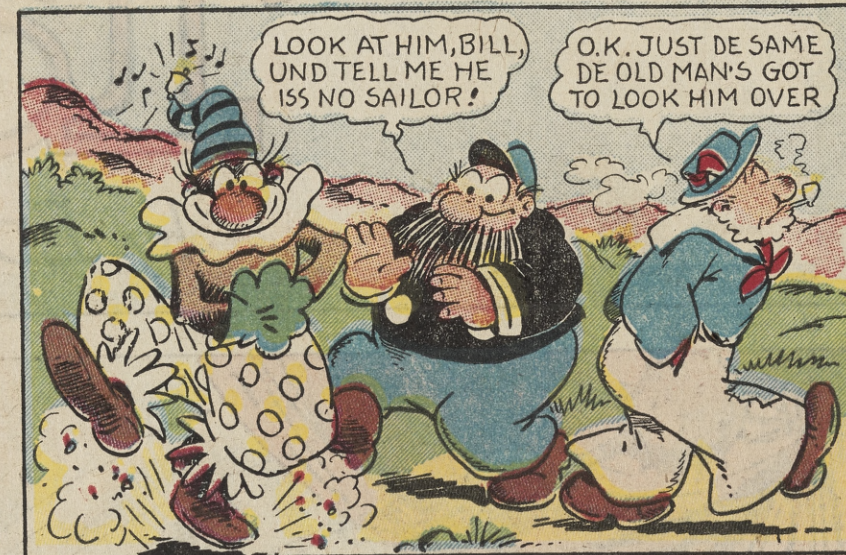

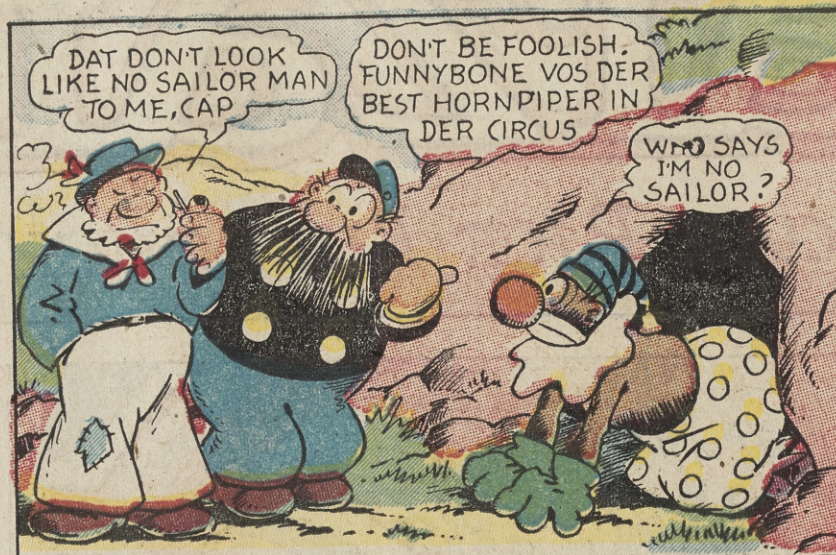

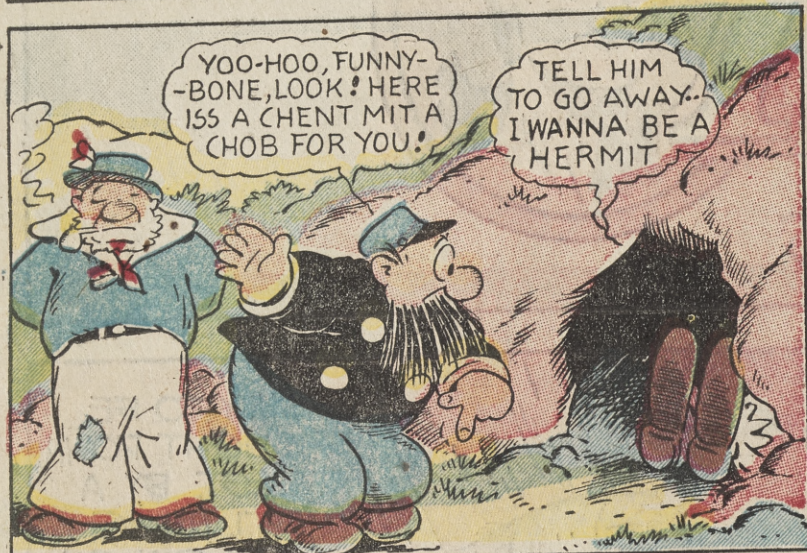

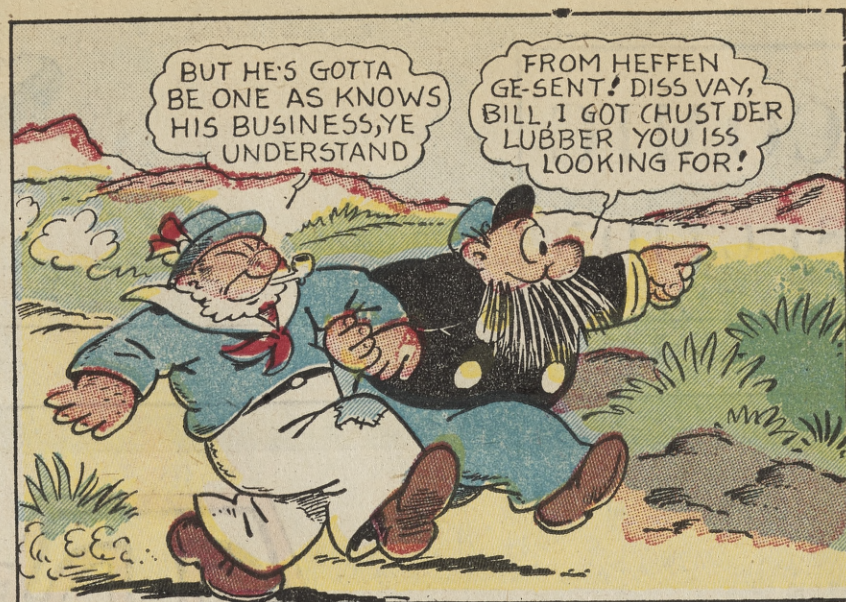

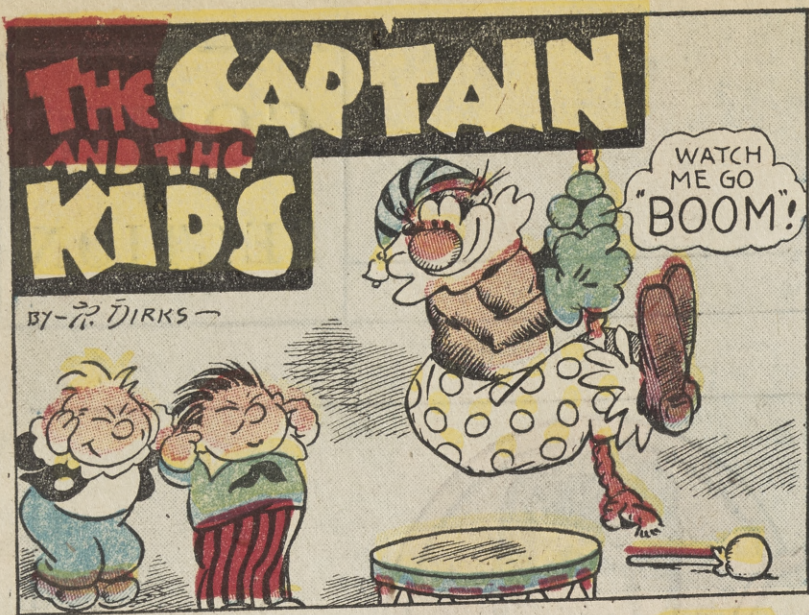

HOGARTH

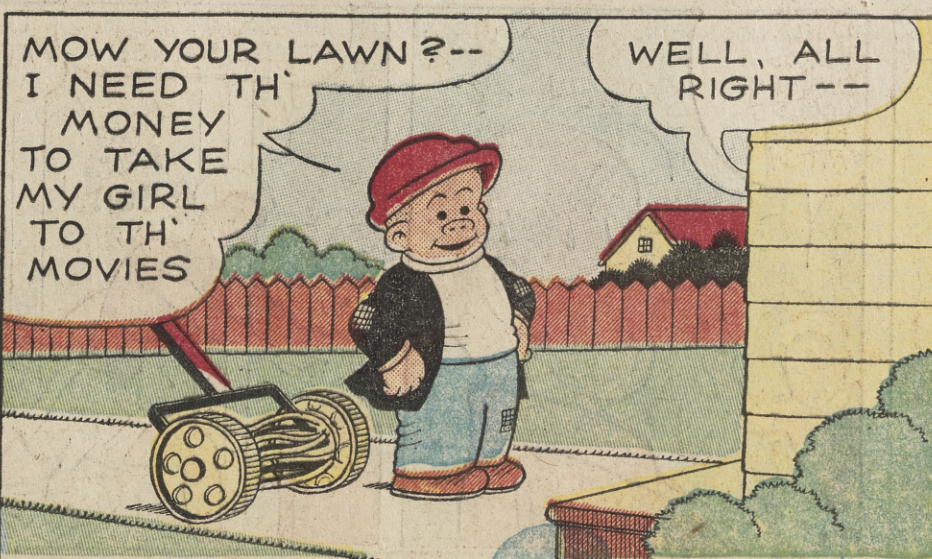

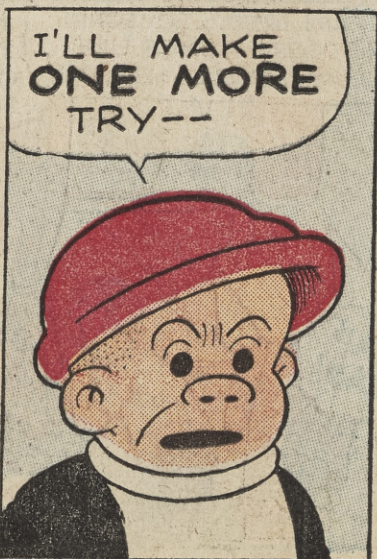

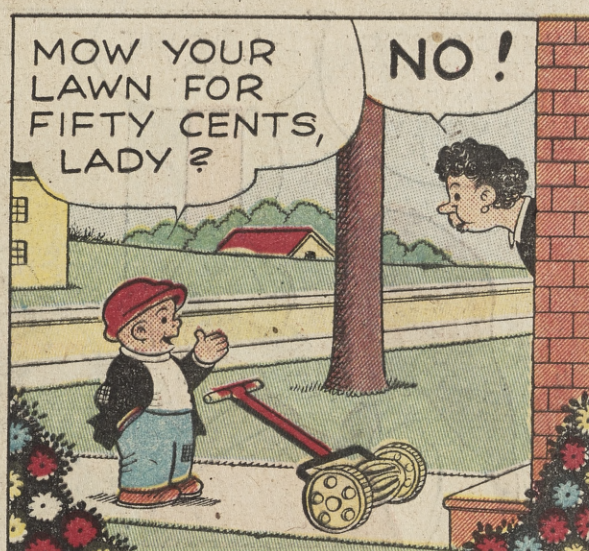

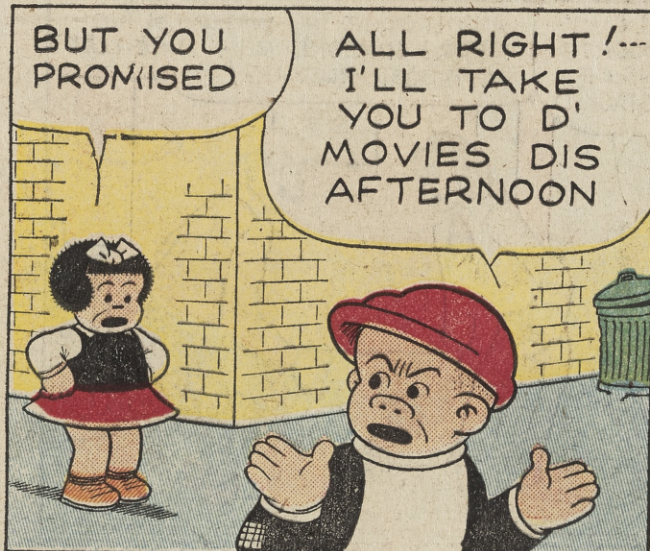

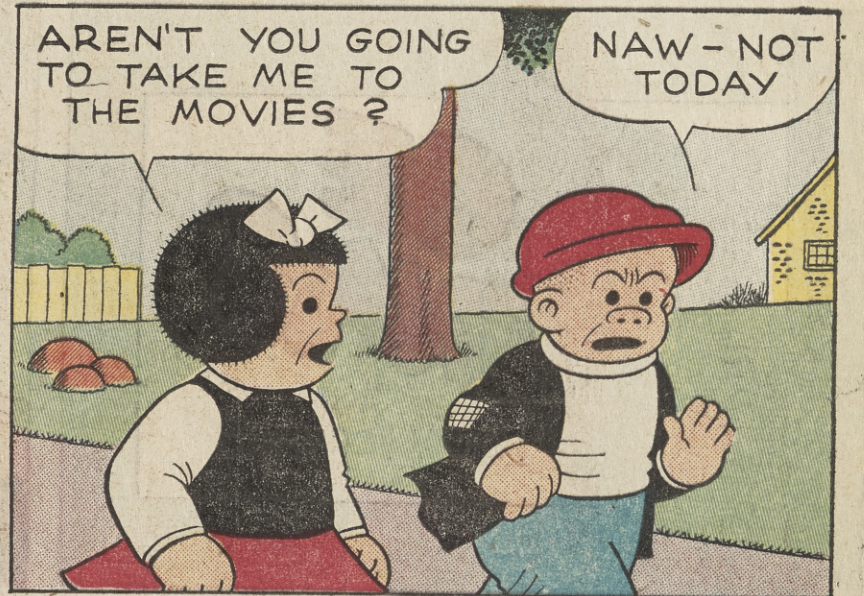

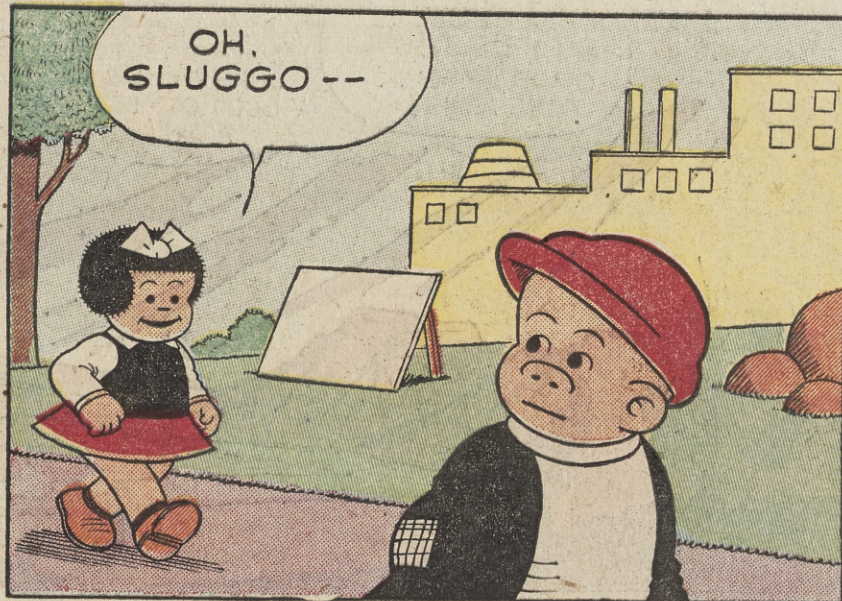

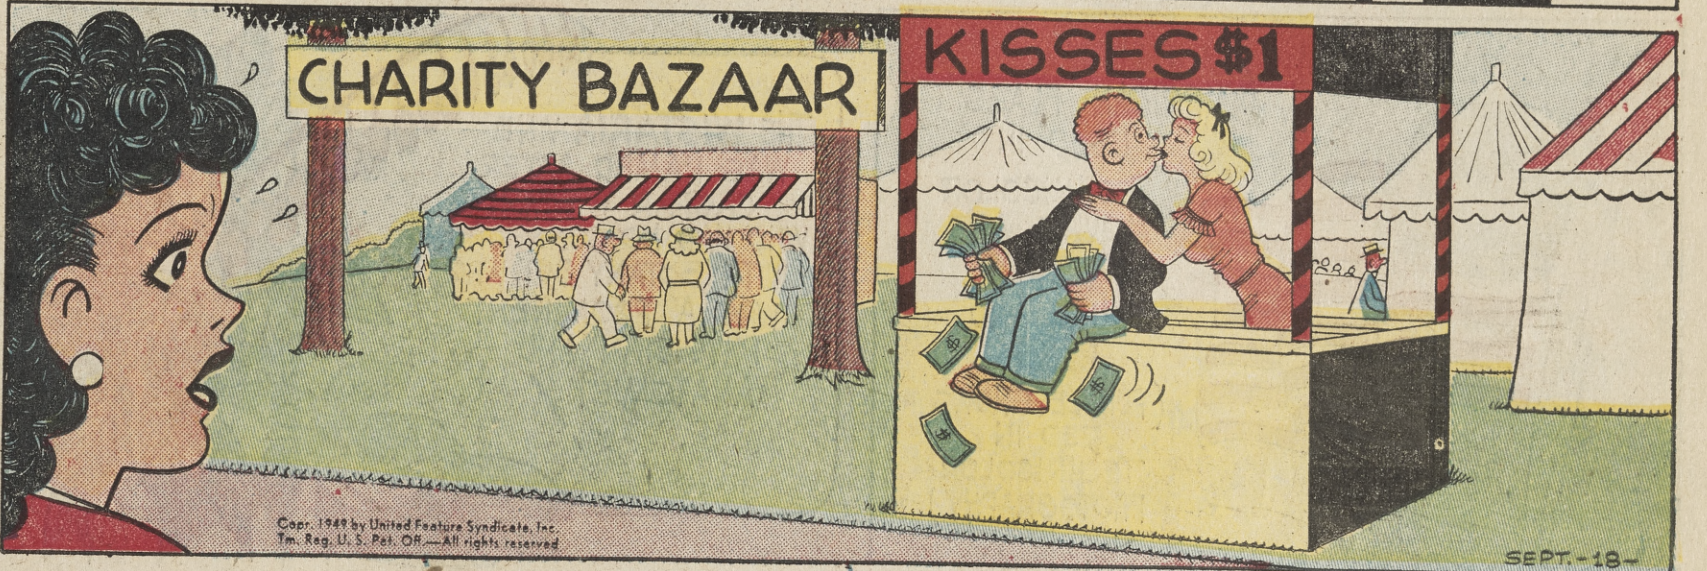

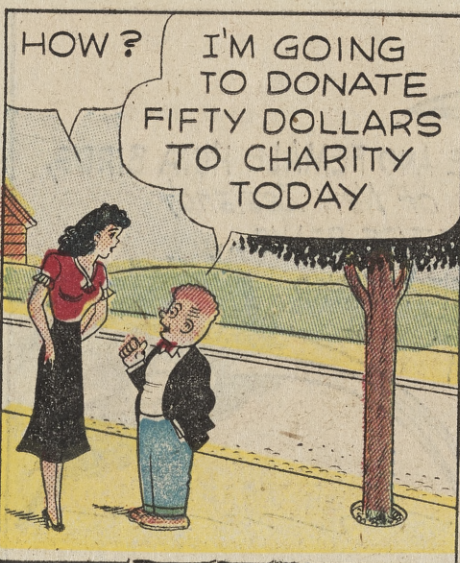

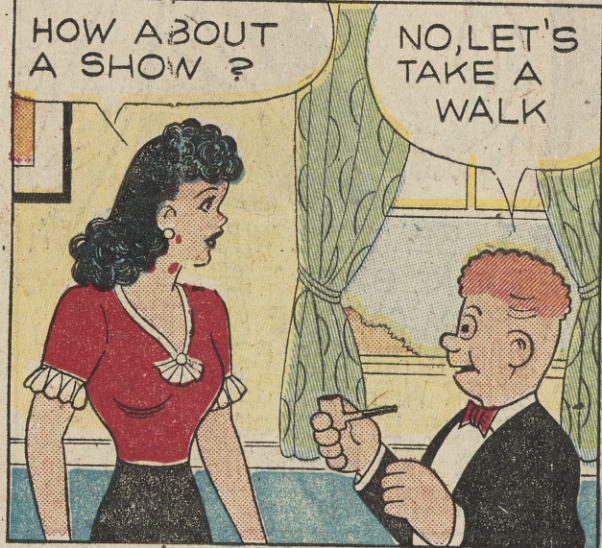

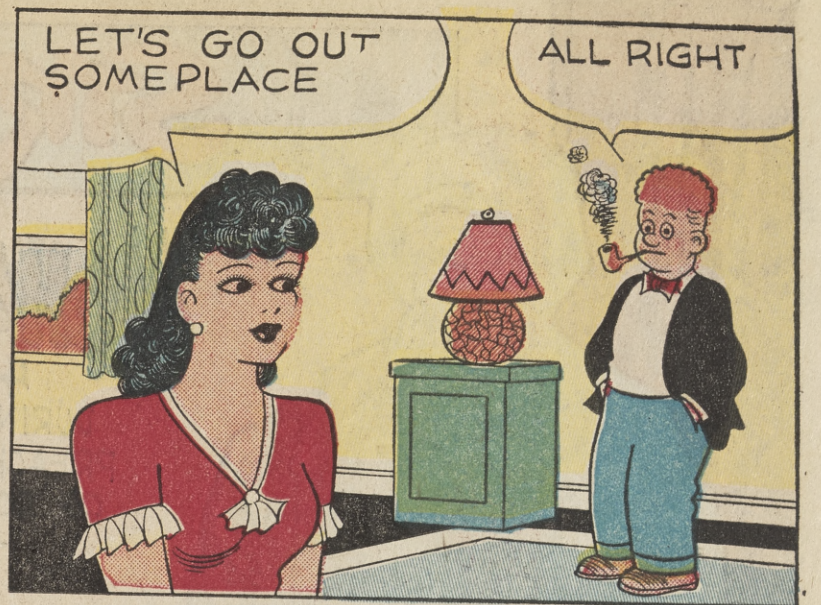

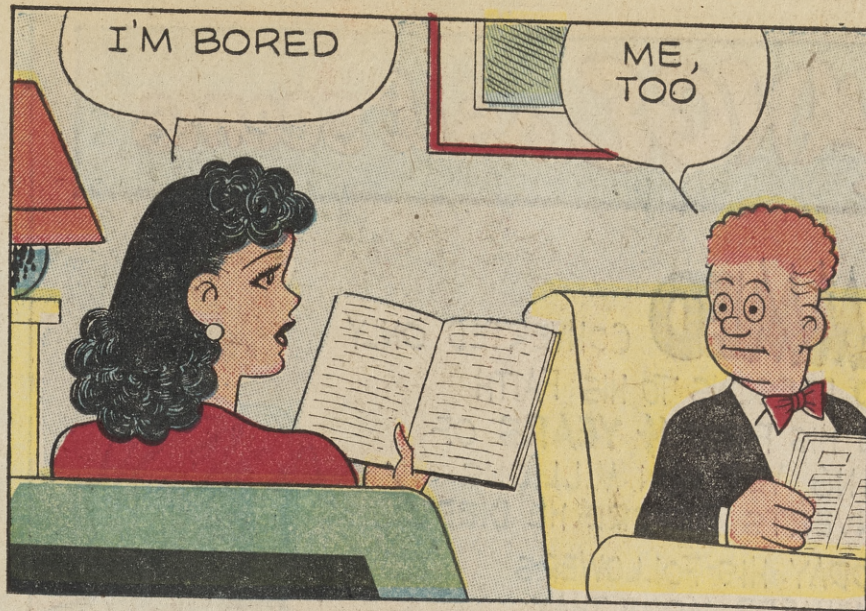

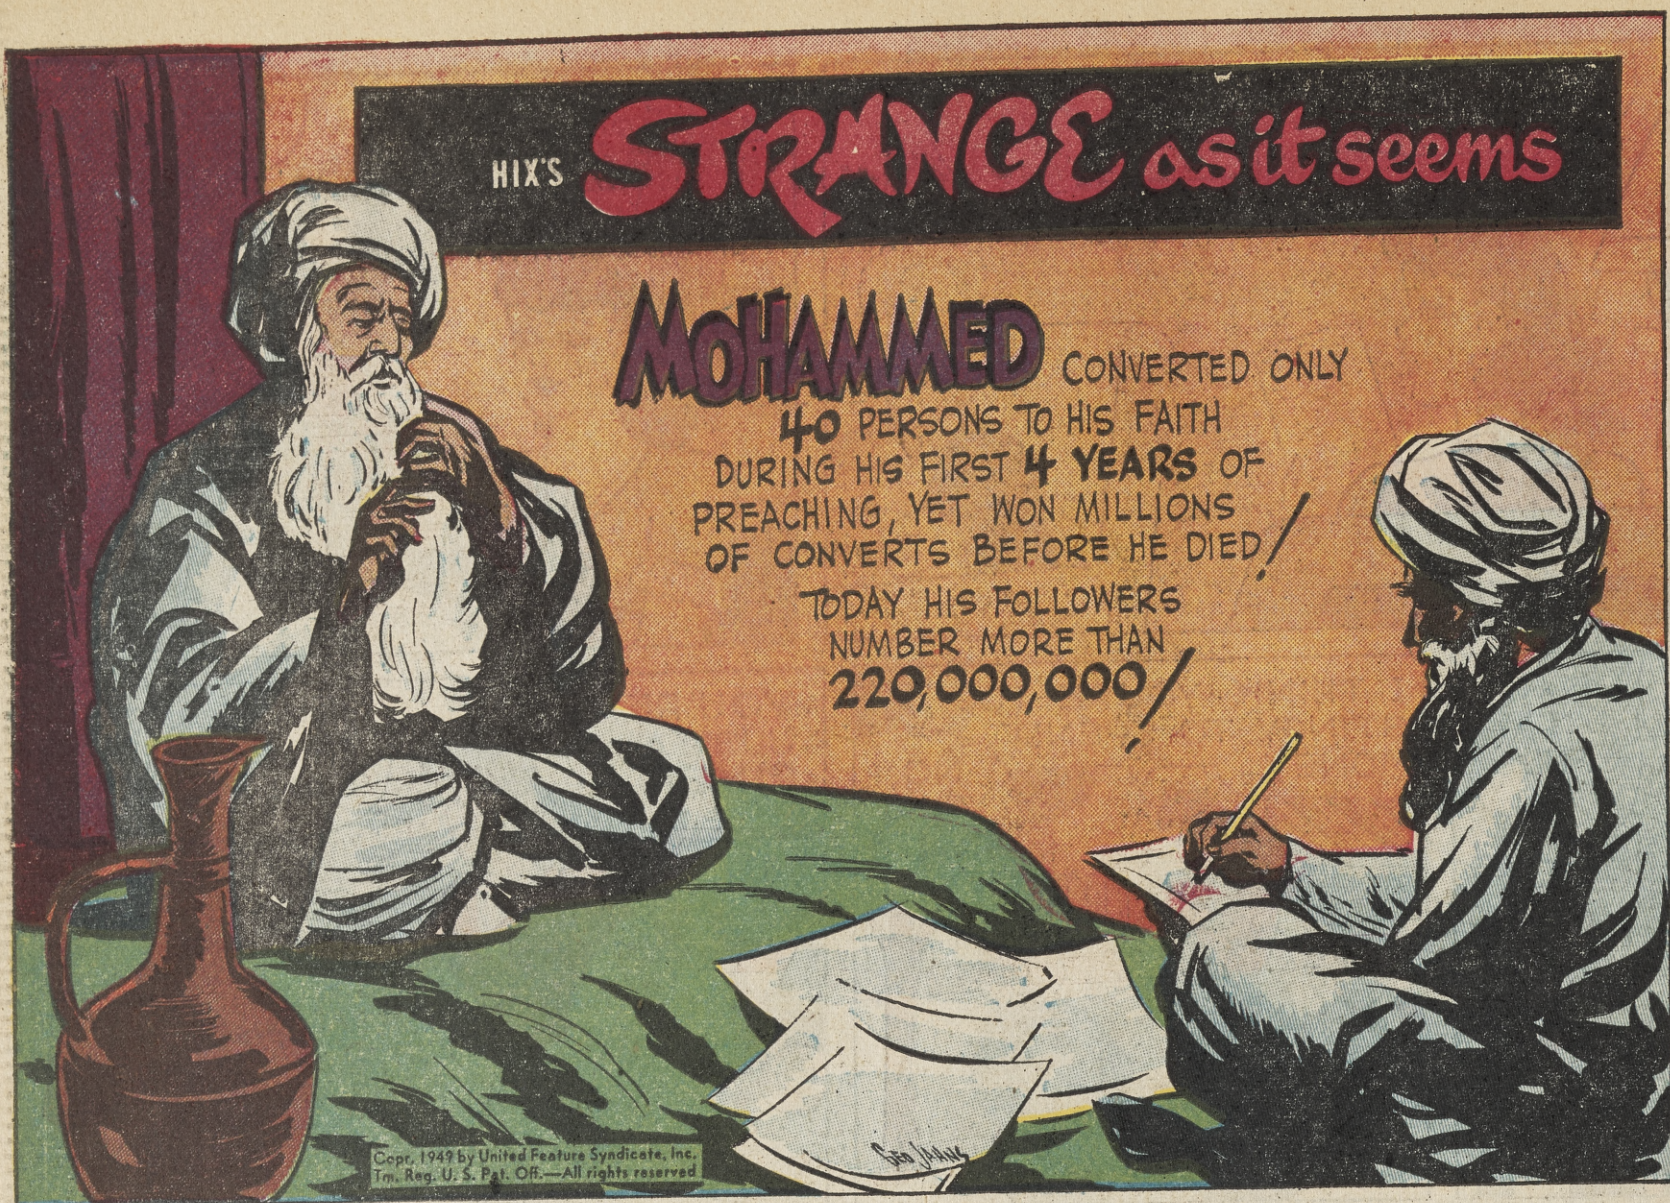

OLD KING MOLO CAME FROM THE PALACE, WITH HIS GUARDS, FOLLOWED BY BARBARA, HER HANDS BOUND BEHIND HER. IT WAS, TARZAN REALIZED, TO BE A DOUBLE SACRIFICE!
